

Used needles are dangerous

What to do if you see a used needle:

Used needles are dangerous.
They can carry diseases.

If you see a used needle,
never pick it up.

Call the Sidney Police Department
at (937) 498-2351 or the
Shelby County Sheriff's Office
at (937) 498-1111 to tell them
where you saw the needle.

If you can, stay with the needle
until someone in charge arrives.

If you get stuck by a needle, get
medical help right away.
