Lori Rice – Building Code Clerk, LRice@MiamiCountyOhio.gov

Shawn Winn – Building Code Inspector, SWinn@MiamiCountyOhio.gov

ZONING IN TOWNSHIPS AND VILLAGES

Shelby County has 14 different townships and 9 different villages with various zoning

These 23 Zoning Officers do change on a regular basis, so ask for a current list to get the most accurate names.

Use for approval of development in the county, to ensure it meets proper zoning requirements, set-backs, frontages, etc.

CHECKLIST FOR VARIOUS DEVELOPMENTS IN SHELBY COUNTY

This checklist is intended to provide applicants with a general outline of what permits are needed in Shelby County depending on the proposed project. This form is not meant to replace any application or permitting requirements of Township Zoning, Health Department, Regional Planning (floodplain), State or other applicable regulations or permits. Separate permits for each and every regulation must be obtained prior to development. The Building/Electrical Department has jurisdiction for residential and commercial development in all unincorporated areas of the county and also within the villages of Anna and Jackson Center; and commercial in Sidney and Russia.

Various Requirements

Type of Project	Township Zoning	Shelby County Building/Electrical (937) 658-6220	Health Department (937) 498-7249
